GENERAL BUSINESS

1. Consider a resolution authorizing the City Manager to execute all documents necessary to apply for and accept new grant funding for the Southeast Texas Auto Theft Task Force.

The Southeast Texas Auto Theft Task Force is a multi-jurisdiction agency comprised of six personnel from the Beaumont Police Department, and one each from the Jefferson County Sheriff's Office, Pt. Arthur Police Department and Hardin County Sheriff's Office. Since the inception of the Task Force, motor vehicle thefts have decreased in Beaumont by more than 80%. The Task Force currently covers Jefferson, Orange, Hardin, and Jasper Counties. The Task Force focuses efforts in two areas: investigations, which target vehicle burglaries and vehicle thefts, and public awareness, which uses media campaigns, training and public presentations to promote prevention techniques and awareness.

Title 43, Part III, Chapter 57 of the Texas Administrative Code, allows local government agencies to apply for funding through a grant or an extension of a grant from the Texas Automobile Burglary and Theft Prevention Authority. The City of Beaumont has been the grantee for the Southeast Texas Auto Theft Task Force since 1993. The total budget being requested is \$1,125,889 with state funds in the amount of \$528,714. The Beaumont Police Department will provide \$146,267 as a cash match in the form of personnel benefits, fuel, and maintenance for vehicles, while other agencies will provide an additional \$107,761 in cash match. An "in-kind" match of \$343,147 will also be provided in the form of salaries for personnel. The upcoming grant cycle will begin on September 1, 2016 and will end on August 31, 2017.

Approval of Resolution.

PUBLIC HEARING

- * Receive comments on Consolidated Grant Program's 2016 Annual Action Plan

Open at 2:22 p.m.

Closed at 2:22 p.m.

2. Consider approving a resolution adopting the 2016 Annual Action Plan.

As mandated by the U. S. Department of Housing and Urban Development (HUD), City Council has conducted public hearings and work sessions in previous years prior to adopting the City's Annual Action Plan. Community Development Staff, along with the Community Development Advisory Committee (CDAC), hosted Public Hearings in order to receive public comments on the process and activities related to the 2016 Annual Action Plan.

The proposed Preliminary Budget reflects allocations of \$1,266,349 in Community Development Block Grant (CDBG) funding, an estimated \$100,000 in Program Income and

\$369,414 in HOME funding. It should be noted that HUD informed the city on April 22, 2016 that the amount of HOME funding increased from the original amount of \$367,763.

At a Work Session held on April 19, 2016, a request was made to amend the Preliminary Budget by allotting \$20,000 in additional funds to the Public Services/Public Facilities line item. Given the need for a thirty day comment period for such a budget amendment, HUD has requested that the original budget be submitted and that after the grant award is made, the budget can be amended administratively to reflect the \$20,000 change. The individual Public Services/Public Facilities allocations are not submitted as part of the overall budget but are needed to give staff direction on how to allocate the funds. The CDAC met and amended their recommendations to reflect the distribution of the additional funds.

Council will conduct a Public Hearing to approve the resolution.

Councilmember Samuel moved to **APPROVE A RESOLUTION THAT THE CITY COUNCIL HEREBY ADOPTS THE HUD CONSOLIDATED GRANT PROGRAM'S 2016 ANNUAL ACTION PLAN IN THE AMOUNT OF \$1,735,763.** Councilmember Pate seconded the motion.
